EDUCATION

2009 Ph.D., Ecology and Evolutionary Biology, University of Michigan
2000 B.S.E., Chemical Engineering, University of Michigan

PROFESSIONAL APPOINTMENTS

2019–present Associate Professor, Centre for Agroecology, Water and Resilience,
Coventry University
2016–2018 Senior Research Fellow, Agroecology and Agriculture Policy, Centre for
Agroecology, Water and Resilience, Coventry University
2013–present Adjunct Faculty, School of the Environment, Washington State University
2015–2016 Senior Staff Scientist, Institute for Agriculture and Trade Policy
2013–2015 Director of Agroecology and Agriculture Policy, Institute for Agriculture
and Trade Policy
2012–2013 Associate Director for Research, Center for Social and Environmental
Justice (CSEJ), Washington State University Vancouver
2010–2013 Assistant Professor of Environmental Science and Justice, School of the
Environment, Washington State University Vancouver
Affiliate Faculty Member of: Program in Public Affairs; Center for
Environmental Research, Education and Outreach (CEREO); Center for
Social and Environmental Justice (CSEJ)
2009–2010 Postdoctoral Associate/Provost’s Academic Diversity Postdoctoral Fellow,
Dept. of Science & Technology Studies, Cornell University

GRANTS AND FELLOWSHIPS

Funded Projects

- 2018 *Understanding the Agroecology Landscape: Action Research to inform Strategic Advocacy and Grantmaking*. Agroecology Fund/New Venture Fund. (**Sole PI**; \$40,000).
- 2017 *Agroecology as a pathway to build up sustainable food systems*. MISEREOR IHR Hilfswerk. (**Sole PI**; €25,000).
- 2014–2015 *Building Popular Food Security Institutions*. University of Minnesota Global Spotlight Faculty Grants: International Research Major Grant. (**PIs**: K. V. Cadieux, R. Blumberg, B. Freyer, and **M. J. Chappell**; \$50,000).
- 2013–2016 *Agroecological assessment of farming in the rural-urban interface: Building resilient regional food systems*. Washington State University BioAg Project Grant. (**PI**: M. Ostrom, **Co-PIs**: L. Carpenter-Boggs, **M. J. Chappell**, J. Goldberger, J. Wait⁺; \$13,975).
- 2013–2015 (Various projects.) ~\$75,000 in grant-making at IATP.
- 2013–2014 *READ IT! (READ Informational Texts!)*. Washington Student Achievement Council Educators for the 21st Century Grant. (**PIs**: B. Lomas and S. Kucer; **Co-PI**: **M. J. Chappell**; \$150,000).
- 2013–2014 *Food security, equity and ecological sustainability: A multi-indicator, process oriented framework for food systems research*. National Socio-Environmental Synthesis Center (SESYNC) Foundations Series Workshop Award. (**PIs**: **M. J. Chappell**, H. Wittman, and J. Fischer; \$36,000 funded in-house at SESYNC).
- 2013 *Documentation of the role of smallholder/family farmer agriculture in sustainable agricultural production and maintenance of biodiversity and ecosystem services*. United Nations Food and Agriculture Organization (FAO), Plant Production and Protection Division. (**Sole PI**; \$35,000).

- 2012–2013 Project Planning for *Agroecology of urban food farming: Effects of organic and biologically intensive practices on soil quality and socioeconomic resilience in Vancouver, Washington and Portland, Oregon*. Washington State University BioAg Planning Grant. (**PI: M. J. Chappell, Co-PI: J. Wait**; \$10,000).
- 2011–2012 Rural livelihoods and effects on biodiversity in a fragmented *landscape: Examining Belo Horizonte, Brazil's acclaimed food security program*. Washington State University Vancouver Faculty Research Mini-Grant. (**Sole PI**; \$3,000).

Received as a Postdoctoral Fellow or Graduate Student

- 2009–2010 Cornell University Provost's Academic Diversity Postdoctoral Fellowship (\$94,000).
- 2008 University of Michigan Department of Ecology & Evolutionary Biology Block Grant (\$1,127).
- 2007 University of Michigan Department of Ecology & Evolutionary Biology Block Grant (\$1,000).
- 2007 U.S. Department of Education Foreign Language and Area Studies Fellowship (\$14,000, *Declined*).
- 2006 Sokol International Summer Research Fellowship (\$5,000).
- 2006 University of Michigan Department of Ecology & Evolutionary Biology Block Grant, Biological Sciences Award (\$650).
- 2006 University of Michigan Rackham Conference Travel Grant (\$750).
- 2005 University of Michigan Department of Ecology & Evolutionary Biology Block Grant (\$838).
- 2004–2005 National Security Education Program David L. Boren Fellowship (\$17,140).
- 2004–2005 U.S. Department of Education Foreign Language and Area Studies Fellowship (\$14,000).
- 2004 U.S. Department of Education Foreign Language and Area Studies Summer Fellowship (\$6,060).
- 2002–2008 Rackham Merit Fellowship (\$54,600).
- 2002–2006 National Science Foundation Graduate Research Fellowship (\$96,000).

PRESENTATIONS

Invited Presentations

Invited Book Talks on *Beginning to End Hunger*

- 2018 Australian Food Sovereignty Alliance, Melbourne, Australia, October 18.
- 2018 Australian National University, Fenner School of Environment & Society, Canberra, Australia, October 16.
- 2018 Food System Convergence, Australian Food Sovereignty Alliance, Canberra, Australia, October 14,
- 2018 College of the Atlantic, Human Ecology Forum, Bar Harbor, ME, October 2.
- 2018 The New School, Tishman Environment and Design Center, Environmental Studies, and Food Studies, New York, NY, October 1.
- 2018 Yale University, Pierson College, School of Forestry and Environmental Sciences, and Sustainable Food Systems Program, New Haven, CT, September 27.
- 2018 University of Vermont, Agroecology & Livelihoods Collaborative, Burlington, VT, September 14.
- 2018 American University, School of International Service, Washington, D.C., September 11.
- 2018 Cornell University, Department of Development Sociology, Ithaca, NY, September 7.
- 2018 Shaw University (hosted by Rural Advancement Foundation International-RAFI-USA), Raleigh, NC, August 28.
- 2018 Keynote for the *XXIII International Conference of the Society for Human Ecology: Navigating complexity: human-environmental solutions for a challenging future*. Lisbon, Portugal, July 10.

Other Invited Talks

- 2018 “Academics, achieving change, and a new extension of ‘showing up’.” *Beyond the Grassroots: Participatory Ecology and Political Praxis*. Haverford College, Haverford, PA, April 20.
- 2016 “‘Sustainability without justice is sustained injustice’: Agroecology and sustainable intensification.” Agroecology Group, Georg-August-Universität, Göttingen, Germany, December 7.
- 2016 “Political economies of ‘Good Food’: Sustainable food without justice is sustained injustice.” (Keynote) *5th Annual Food Systems Summit: What Makes Food Good? The Necessary [r]Evolution for Sustainable Food Systems*. University of Vermont, Burlington, VT, June 14.
- 2016 “Political ecology, food security, and biodiversity: Peeking at our eco-commensalist future.” Sustainable Landscapes Group, Leuphana University, Lüneburg, Germany, March 11.
- 2016 “Outlook into the future of land use research: Panel discussion.” (Invited panelist) *Final Conference 2016 of the Sustainable Land Management Research Program of the German Federal Ministry of Education and Research (BMBF)*. Berlin, Germany, March 9.
- 2015 “Agroecology 101: A funder’s primer.” Environmental Grantmakers’ Association 2015 Fall Retreat. New Paltz, NY, September 29.
- 2015 “Food sovereignty as showing up.” *Food Sovereignty: Local Struggles, Global Movement*. University of Michigan, Ann Arbor, MI, May 29.

- 2015 “Connecting the movements: Food sovereignty in Detroit and the Global South.” (Invited panelist) *Food Sovereignty: Local Struggles, Global Movement Pre-Conference*. University of Michigan Detroit Center, Detroit, MI, May 27.
- 2015 “Eco-commensalism: Setting the table for what comes after capitalism.” *Teach-In +50: End the War Against the Planet*. University of Michigan, Ann Arbor, MI, March 28.
- 2015 “Transforming the Food System: A Conversation with Two Leaders.” (w/Danielle Nierenberg). Hosted by the University of Michigan Sustainable Food Systems Initiative, Center for Latin American and Caribbean Studies, Program in the Environment, and Dept. of Ecology & Evolutionary Biology. Ann Arbor, MI, March 10.
- 2015 “Farming Our Future: The Forces and Faces of 21st Century Agriculture.” (Invited panelist) *Less=More: Farming Our Future: The forces and faces of 21st Century agriculture*. Michigan State University, East Lansing, MI, March 9.
- 2015 “Pushing for better agriculture research and policy.” (Invited panelist) *2015 Food Tank Summit*, George Washington University, Washington, D.C, January 22.
- 2014 “Debating the future of food” (Morning Keynote). *Breaking Boundaries: 2014 Net Impact Conference*. Minneapolis, MN, November 8.
- 2014 “‘Sustainability without justice is sustained injustice’: The problems of sustainable intensification.” Graduate Program in Sustainable Agriculture Colloquium, Iowa State University, Des Moines, IA, October 22.
- 2014 “Agroecology and food sovereignty as viable alternatives to land-grabbing and corporate-dominated development paradigms for Africa.” *Empowered Africa: A Progressive Dialogue*. Howard University, Washington, D.C, August 4.
- 2014 “Small-scale family farming as a necessary but not sufficient foundation for food security, food sovereignty, and sustainability.” *International Conference on Feeding Cities, 2014: Rural-Urban Connections and the Future of Family Farming*. Ryerson University, Toronto, Canada, June 24.
